

Doing Our Part to Save the Planet

September 27, 2024

Desert Community Energy (DCE) hereby provides the following information pursuant to the CAISO's Cluster 15 Commercial Interest Scoring Process:

(a) the selection criteria or consideration factors for awarding points (in no particular order):

1. Portfolio needs and how a specific project compliments DCE's current portfolio, with an emphasis on Slice of Day resource adequacy
2. Environmental impacts and benefits resulting from the project
3. Local economic benefits provided within the DCE service territory (Palm Springs), and surrounding geographic regions
4. CalEnviroScreen score
5. Project site control
6. Developer experience within California

(b) contact information for the persons conducting the point allocation for DCE:

Primary Contact Name: David Freedman, Program Manager, DCE
