

Doing Our Part to SAVE the PLANET

# Community Benefits Grant

*Funding projects that benefit local communities through energy and sustainability initiatives*

The Community Benefits Grant is a collaborative initiative between Calpine Community Energy and Desert Community Energy (DCE). **Launching for the first time in 2026**, this annual program provides funding to nonprofit organizations that advance education, workforce development, equity, and community engagement in energy, environmental, and sustainability efforts across DCE's service area.

Eligible Applicants: 501(c)(3) Nonprofit Organizations Serving Palm Springs

## Supporting Energy, Sustainability & Community Impact

Energy & Sustainability

Environmental & Social Justice

Education

Workforce Development
